

## **Maintaining privileged relations : EUROJUST and the EJN**

Introduction.

### **I) A need of clarification concerning the relationship and co-operation between EUROJUST, the EJN and national authorities:**

- Who does what?
- Need of a practical guideline
- Better knowledge of each other at a national level.
- Capacity to say no to a request and forward it to EJM/EUROJUST if better suited to deal with the case?

### **II) The EUROJUST National coordination system: the way to go forward**

- The connection of the ENCS with the CMS of EUROJUST.
- The role of the national correspondent for EUROJUST and the EJM in the ENCS.
- Involvement of the EJM national contact points in the implementation of the ENCS.
- The lack of European record of EJM activities / The role of EJM secretariat

### **III) EUROJUST / EJM, a common space?**

- Need of common electronic tools
- If European Public Prosecutor is setting up?
